

Q11 - Who can view which course materials a student has downloaded in your LMS?

(INFO EXTREMELY DIFFICULT TO FIND) Nobody

(MOST-CORRECT ANSWER) Only the student

Only the professor and the teaching assistants (TAs) in the course
(but not the student)

Only the student, the professor, and the teaching assistants (TAs) in
the course

Only the student, the professor, the teaching assistants (TAs), and
the other students in the course

Anyone in the university

The general public
